Welcome to the 2026 / 27 Pool Season

After a five month sabbatical since the end of last season, we can now look forward to a fresh season. Many of us have played a significant number of frames in the meantime with the Summer league, Tuesday Flyers, various tours and the Ultimate competition. Well done to all who run these events.

With a brand new season, we welcome a new sponsor on board. Many thanks go to Mid Wales Stoves for their sponsorship over the last eight years. Newtown I.T Solutions now have a sponsorship deal with our league and you can find their information on page three of this Press.

We also have a new start time on Sundays for matches, shifting from the traditional 7.30pm to 7.00pm. This is now the default time for all league and cup matches but at the A.G.M. it was decided that there would be some leniency on certain occasions such as farmers lambing etc but it is up to their captain to make contact to revert to the 7.30pm start. County teams travelling back may also request this but has to be agreed with the opposing team.

We also have six business supporters on board and their adverts will be in each Press release. We are very fortunate to have all of these local businesses supporting us so please use their services when possible.

One thing that won't change this season is the frustration we'll get at some point when the object ball or cue ball doesn't go where we want it. Of course we'll blame the table not being level, the poor lighting, the noise, the opponent chalking their cue or another reason from the book of excuses but we'll still come back for more punishment, for the odd time things go our way and all of the stars align.

Trust you all enjoy the new season.

NEW MATCH START TIME IS 7.00PM

We welcome the Jockey Newbees and Cefn Coch B to the Premiership this season but unfortunately lose the Nomads who have disbanded. That means the Lion Cubs and Jesters will keep the Premiership status. The Nomad players have been recruited by a few other sides namely the Dragons and Sws, meaning the top tier have an even more a stronger look to it, with many years experience throughout all of the sides. The usual two teams who lock horns for the title kick off with difficult ties with the champions Full Montys at home to the Misfits and Jockey A home to the Sws who have signed up Rhys Butler and Rob Griffiths to make a very strong looking team. It is very hard to look further than the Full Montys to retain their title.

In Division Two, three teams have been promoted. Buck Yourself, Back Lane Bowlers and the Bull n Heifer. Whilst all are more than capable of getting a result, all we need to show that on a regular basis to avoid returning to Division Three. The Zimmers have recruited Alan Walker and if he plays regularly, then they could play a part in the title chase but the Bowling Ballers will be favourites.

In Division Three, the Outcasts and Severn St Mob were relegated. Both will be expected to feature in the title race. We also have the strange team name of DWLLWGAF`S (formerly Woodenspooners) who play from the Sportsman and the newly named Lounge Rats from The Exchange. The Courthouse Judges will also expect to feature in the title chase after narrowly missing out last season.
